CONNECTING THE WORLD WITH OPEN-SOURCE

Grant Zhou

PGConf.dev 2025

瀚高数据库 HIGHGO

PGConf.dev
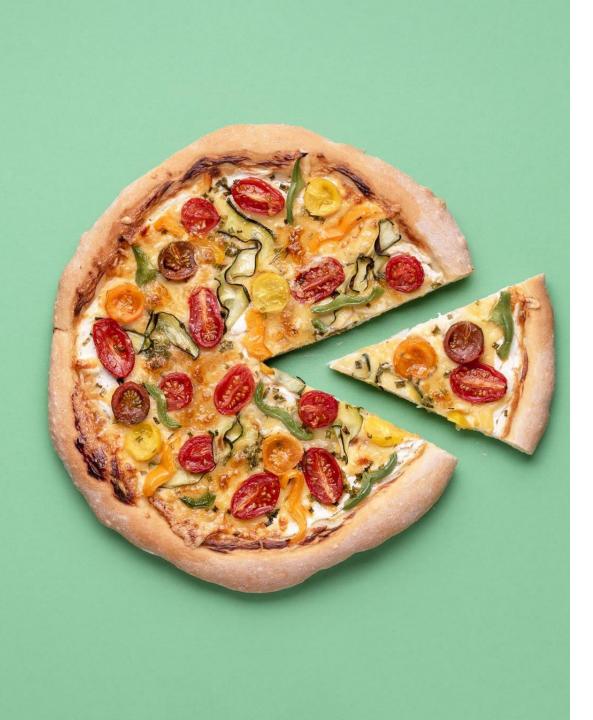

HELLO I AM GRANT ZHOU

- My name is Grant Zhou, and I have a strong passion for PostgreSQL.

- I work for Highgo Software, a company with a longstanding involvement in PostgreSQL in China.

- I have been residing in Vancouver, Canada, since 2013.

- I am a firm believer in the impactful nature of open source technology.

THE POSTGRESQL MAGIC

📊 Contributors from 100+ countries

🤝 Strangers becoming collaborators

🍕 No arguing about who buys pizza!

💡 One shared goal: Amazing database

PGConf.dev

WE'RE ALL HERE, RIGHT NOW

Despite conflicts and tensions.

All discussing **PostgreSQL** together!

PGConf.dev

WHAT REALLY UNITES US?

😤 Shared frustration with slow queries

🔥 Heated debates about multi-threading support

🎉 Excitement over new features like AIO

🔌 Extension wars: which ones make PG amazing?

💻 Code that transcends all borders

JOIN US IN CHINA!

📅 JUNE 27-28, 2025
📍 JINAN, CHINA

🎯 Focus on PostgreSQL and IvorySQL
💻 Available for both in-person and virtual participation
🌐 Engaging with the global PostgreSQL community

Linking the World with Open Source
